Activity Report

Workshop on National Educational Policy (NEP)

Date: 30/06/2023

Organised by IQAC

**Workshop on
National Education Policy 2020
&
National Curriculum and Credit Framework [NCCF]**
Organised by
Baruipur College

Date: 30th June, 2023 Time: 12 Noon

 Chief Patron Dr. Chanchal Kumar Mandal Principal, Baruipur College	 Inaugural Address Dr. Durga Ganguly IQAC Co-ordinator Baruipur College
Speakers	
 Dr. Asim Mondal Associate Professor Department of English Ramakrishna Mission Residential College	 Dr. Samiran Mandal Associate Professor Department of Bengali Baruipur College

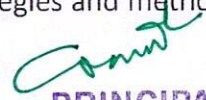

All are cordially welcome!

Baruipur College, Purandarapur Math, South 24 Parganas, PIN 743610

Objective: To organise an informative session to enable the teachers to get oriented with the National Education Policy – NEP 2020.

Outcome: National Education Policy outlines the vision of India's new education system. The policy is a comprehensive framework for elementary education to higher education as well as vocational training in both rural and urban India. The Workshop was able to create awareness about the National Education Policy amongst teachers and familiarized them with the skills to help them understand its nuances, curriculum changes, the shift in pedagogical skills and its implementation for the holistic development of its stakeholders, the students. This NEP workshop also focused on various new strategies and methodologies of teaching and challenges & opportunity for the aspiring teachers.

Workshop on Self Study Report (SSR) Preparation

Date: 13/08/2022

Organised by IQAC

Objective: To organize a workshop on the importance of preparing a Self-Study Report (SSR) as a foundational document that institutions use to demonstrate compliance with accreditation criteria and policies. The SSR is crucial for the assessment and accreditation process as it provides evidence of the program's compliance with standards, allows for a systematic review and assessment of outcomes, identifies areas of strength, and highlights areas for improvement to maintain or enhance program quality

Outcome: The IQAC cell of Baruipur College organised a workshop on the preparation of Self Study Report (SSR) on 13.08.2022. The events focused on the fact that SSR process is a critical component of institutional self-assessment and quality assurance, guiding institutions towards excellence in education through a structured and reflective evaluation process. The resource persons were invited from Sundarban Mahavidyalaya. Dr. Suvankar Chakraborty, Principal of Sundarban Mahavidyalaya and Tushar Kanti Ghara, Joint D.P.I. of Bikash Bhavan, Government of West Bengal along with other dignitaries were present along with 45 participants.

Workshop on Utkarsha Bangla

Date: 19.02.2020

Organised By IQAC and CCC, Baruipur College

Objective: To organize an expert-led session covering a spectrum of topics crucial for students aspiring to excel in the realm of information technology and computer science.

Outcome:

Baruipur College successfully hosted the Utkarsha Bangla Skill Development Workshop on 19th February 2020. This workshop, in alignment with the objectives set forth by the West Bengal Society for Skill Development, aimed to enhance technical education and improve computer skills among students. The Utkarsha Bangla Skill Development Workshop yielded tangible benefits for participants, equipping them with valuable knowledge and practical insights into Information Communication technology and how it can be used to foster entrepreneurial approach. Many students expressed gratitude for the opportunity to sharpen their skills and explore new avenues for personal and professional growth. The workshop not only enhanced their employability but also instilled confidence in their ability to navigate the evolving landscape of technology.

Seminar on Air Pollution and Pollutant Emission

Date: 06.02.2020

Organised By IQAC

Objective: To conduct a seminar on the different scientific measures to combat air pollution and to inspire attendees to take collective action, contribute to the ongoing efforts to safeguard air quality and protect public health

Outcome:

Renowned scientist, Dr Sanjib Mukherji, Senior Scientist (Retired), University of California, Santa Barbara shared insights and strategies for addressing air pollution challenges in the seminar on Air Pollution and Pollutant Emission. Key topics included innovative technologies for air quality monitoring, such as sensor networks and satellite imaging, which enable real-time data collection and analysis. Additionally, Dr Sanjib Mukherji, discussed advancements in pollution control technologies, including the development of cleaner energy sources and emission reduction techniques for industries and transportation. The seminar emphasized the importance of interdisciplinary collaboration and policy interventions to tackle air pollution comprehensively. The interactive session with students and teachers highlighted the role of public awareness and community engagement in fostering sustainable practices and advocating for cleaner air.

Workshop on Radio Production

Date: 23.11.2019

Organised By Department of Journalism, Baruipur College

Objective: To conduct industry academia interaction in the field of media and to train the students in media content generation.

Outcome:

Workshop on industry academia interaction related to radio production was conducted at Baruipur college on 23rd November 2019. Smt. Senjuti Das, Program Presenter at All India Radio (AIR) Kolkata acted as the resource person for industry academia interaction on radio production. The workshop was immensely beneficial for Journalism and Mass Communication students and also for those students who were interested in media content production. The interactive session also had hands-on practical sessions, demonstrating various aspects of radio production.

Seminar on Vidyasagar in History

Date: 26.09.2019

Organised By Department of History, Baruipur College

Objective: To organize a seminar to explore the multifaceted legacy of Vidyasagar and to shed light on his pivotal role in shaping historical narratives.

Outcome:

IQAC Cell of Baruipur college in collaboration with the Department of History organized a seminar on Vidyasagar in History on 26.09.2019 to celebrate the birth centenary of Ishwar Chandra Vidyasagar. The seminar began with the Principal paying homage to Ishwar Chandra Vidyasagar. A significant outcome of the seminar was the presentation of research papers by students, wherein they showcased their scholarly inquiries into various aspects of Vidyasagar's life, work, and influence on history. The seminar also provided a platform for faculty members to share their insights and perspectives on Vidyasagar's historical significance. Through their presentations, they offered nuanced interpretations and reflections on Vidyasagar's contributions to the field of history.

Workshop on Issues Related to Depression

Date: 27.04.2019

Organised By IQAC

Objective: To conduct a workshop aimed to raise awareness about mental health issues, particularly focusing on depression, among the students.

Outcome:

Workshop on mental health and depression was organized on 27.04.2019 at Baruipur college Smart Classroom. Renowned clinical psychologist Dr. Anuttama Banerjee delivered a comprehensive lecture on mental health and depression, imparting valuable knowledge and insights to the participants. Through her expertise, she provided a deeper understanding of the nuances of depression and its impact on individuals. The workshop facilitated an interactive session where students actively engaged with Dr. Banerjee, sharing their experiences, concerns, and queries related to mental stress, depression, and coping mechanisms. By addressing prevalent issues such as mental stress and depression, the workshop played a crucial role in promoting mental health awareness within the college community. Participants gained valuable insights into recognizing symptoms, seeking help, and fostering a supportive environment for mental well-being.
